Houzz Inc. (www.houzz.com), the leading platform for home renovation and design, announced that Knight Architects LLC was one of the community’s picks for Best of Houzz 2016 in North America, a homeowner-to-homeowner guide to the top home builders, architects, interior designers, landscape pros and other residential remodeling professionals.

“Anyone building, remodeling or decorating looks to Houzz for the most talented, competent and service-oriented professionals,” said Liza Hausman, vice president of Industry Marketing for Houzz. “We’re delighted to join our community of homeowners and design enthusiasts in recognizing our “Best of Houzz” professionals around the world.”

The Best of Houzz is awarded annually in three categories: Design, Customer Service and Photography. Design award winners’ work was the most popular among the more than 35 million monthly users on Houzz. Customer Service honors are based on several factors, including the number and quality of recent client reviews. Architecture and interior design photographers whose images were most popular are recognized with the Photography award.

A “Best of Houzz 2016” badge appears on winners’ profiles, as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.
