## Sponsored by

Giesen Estate of New Zealand was established in 1981 by three brothers Theo, Alex and Marcel. Originally from Germany, the brothers were taken by the beauty of New Zealand and set up a small family wine business to showcase Marlborough's unique vineyard and vintage characteristics. Almost 40 years later, the Giesens continue their thoughtful approach to grapegrowing and winemaking to offer a stylish collection of regional wines that please wine drinkers around the globe.
