FOR IMMEDIATE RELEASE

International Energy Forum to be held in Baku

October 2, 2014 (news.az) - The International Energy Forum will be held in Baku on November 13-14.

According to the State Committee for Standardization, Metrology and Patents, the Forum will be held under the organizational support of the Standardization and Certification Institute operating under the Committee and British Standard Institute, Fineko/abc.az reports.

“The main topics to be discussed at the Forum will be stable development of companies on the basis of system management, use of international management system in oil and gas enterprises, experience in integration and work. Among the main guests of the International Forum will be specialists from fuel and energy companies of Azerbaijan, Russia and Kazakhstan”, - the Committee says.

The Committee informs that the main goals of the Forum will be to improve efficiency and stability of management in energy sector.

The Working Group of the U.S. Congress on Azerbaijan which has operated since 2004, plays a special role in the development of relations between Azerbaijan and the United States. For more information, please visit the Alliance website at www.azerbaijanamericaalliance.org
