Job Description

Position

Master Swim Head Coach (Part Time)

Objective

- We are seeking an experienced head coach with a passion for masters swimming who can motivate adult swimmers who are looking for a combination of demanding workouts and a fun, social atmosphere. The ideal candidate will be able to work with swimmers of all backgrounds and abilities ranging from individuals looking to refine strokes to individuals wanting competitive stroke training. The Head Coach will work with the Aquatics Director to develop the new Masters Swim program for the Community Pool.

Location

Work is performed at the Cheshire Community Pool

Knowledge, Skills and Minimum Qualifications

- Knowledgeable of current training and stroke techniques
- Previous coaching experience preferred
- Strong background in competitive swimming or knowledge of competitive swimming
- Ability to analyze and communicate corrections for stroke improvement
- Must be able to motivate at both a team and individual level

Essential Functions

- Develop and implement training plans
- Be on-deck for each workout and actively engage with swimmers providing instruction and feedback
- Meet with swimmers to establish training and competitive goals
- Communicate regularly with participants in person and via e-mail
- Foster and encourage an athletic, competitive, and social atmosphere that is welcoming and inclusive

Starting Rate of Pay

Pay rate is flexible depending on experience. Anticipated range \$20.00-\$25.00 per hour depending on experience

Typical Work Hours

Schedule is flexible and will be developed in collaboration with the Aquatics Director. May include evenings and early mornings.

Interested applicants should e-mail resumes to Sheila Adams, Aquatics Director at sadams@cheshirect.org
