### Roundtable: Park Maintenance in the Winter, Preparing for Spring *(0.2 CEU s)*

Moderated by Rich Calarco with other prominent parks and recreation professionals and service providers, this roundtable discussion on park maintenance in the winter will be geared toward municipal maintenance staff and directors. Participants are asked to share their best practices for park, trail, and equipment maintenance in the winter months. We will conclude the session with sharing best practices for spring usage preparation. Come and share your innovative ideas with your colleagues on topics including but not limited to:

- Winterizing your equipment: summer equipment preparation and maintenance
- Property line push back in parks and trail ways
- Spring infield preparation
- Battling turf disease: best methods
- 2018's wet fall weather and its effects on 2019's spring start up
- Brush cutting of trees around fields
- Turf blankets: who is using them and are they effective?

### Staying Relevant in the Winter! Winter Programming for Parks *(0.2 CEU s)*

Are your parks maintaining their vitality and relevance in the winter? Come and learn some new, fun, and innovative ideas for keeping your parks in the public eye during the winter months. Ideas will be shared for budgets of all sizes! We will discuss activities that can be done on the fly during a school snow day, small scale preplanned events, and even how Meriden's Hubbard Park lights have helped to drive activity each winter weekend to their park. Information will also be shared on the new internet craze, ice bumper cars! Be sure to bring all of your own fun, out-of-the-box ideas to share with others before we adjourn for the day!

### Registration:

*Payments must be received by 1/16/19. No refunds for cancellations after 1/16/19. Registrants that do not show without cancelling prior to this date will be billed the full amount.*
