

Aquatic & Fitness Center

Aquatics Program Coordinator

Under the direction of the Aquatics Director, the Coordinator is responsible for the scheduling and supervision of lifeguard, instructor, and attendant staff. This fulltime position aids in the operation of the East Lyme Schools Aquatics and Fitness Center. Depending on experience, the coordinator position will be involved in the instruction, supervision, and or implementation of a diverse aquatics program including instructional swimming lessons, lifeguard and CPR training, water fitness, and staff development.

Minimally, applicants must possess certification in Lifeguarding and CPR from the American Red Cross. Ideally, candidates will possess certification as a Lifeguard Instructor from the American Red Cross and have experience with the management of a swimming lessons program.

This fulltime, benefits eligible position is offered through the Town of East Lyme Board of Education in East Lyme, Connecticut.
