Does Medicare feel confusing?

We understand - Medicare can be complicated. The good news is that State Health Insurance Assistance Program (SHIP) Counselors are available to provide, free, unbiased, one-on-one assistance to Medicare beneficiaries, their families, and caregivers with:

- Understanding your Medicare options
- Comparing plans and enrollment
- Resolving billing issues and filing appeals
- Screening eligibility for help with Medicare prescriptions costs and premiums
- Educating on how to prevent, detect, and report Medicare fraud
